BA-MA IN CRIMINOLOGY

Five-year Integrated Program

About National Forensic Sciences University (NFSU)

NFSU is a specialized Central University instituted in to meet the shortfall of experts in different fields of Forensic Science across the world. NFSU was elevated to the status of "*Institute of National Importance*" in 2020. NFSU is headquartered in Gandhinagar, Gujarat and has campuses in Delhi, Goa and Tripura. NFSU is currently expanding itself to other states catering to the needs and demands for the various subjects in Forensic Sciences.

About School of Forensic Psychology (SFP)

SFP was established at the Gandhinagar Campus in 2021 with a vision and mission to be recognized as a renowned School of learning in Forensic Psychology with a global leverage, and to empower students and criminal justice system functionaries, SFP has taken initiatives to impart knowledge and skills in Forensic Psychology that can stimulate their understanding of crime, punishment, and the legal and psychological ramifications to perform a variety of meaningful roles in the Indian criminal justice system.

About BA-MA Criminology Program

The program is designed in a way that makes the students conversant with the causes and consequences of crime, acquaints the students with the structure and functioning of the Criminal Justice System and to prepare the students to take up a career in the field of Criminology/ Criminal Justice – covering police, prisons, probation services, private detective, and security management apart from careers like fraud detective officers in banks and counsellors/NGOs/for higher studies in Criminology, including research etc.
