PROGRAMME OBJECTIVE

National Forensic Sciences University, Gandhinagar Campus is organizing 5 days online Faculty Development Programme (FDP) on "Advanced Trends in Digital Forensics" from April 05, 2021 – April 09, 2021, under the aegis of School of Cyber Security and Digital Forensics, NFSU, Gandhinagar.

With the increasing reliance on digital platform, there has been an exponential increase in the cyber-attacks. Cybercriminals are using sophisticated techniques and clever tricks to bypass security solutions. Cyber Crime Investigation and Digital Forensics are the integral component of the organization's security services. The aim of this FDP is to promote research and strengthen the digital forensic investigation techniques which include topics like crime investigation techniques, fake news detection and investigation, latest trends in digital forensics like drone and cryptocurrency forensics.

This online training program is aimed to discuss state-of-the-art research and development in Digital Forensics. The indicative pool of topics to be covered are as follows but not limited to :-

- Emerging techniques in the cyber-crime investigation,
- Fake News verification and Detection,
- Digital forensics using open-source tools,
- Financial fraud investigations,
- Mobile forensics and challenges,
- Social media and social network forensics (OSINT),
- Drone Forensics,
- Crypto Currency Forensics.

SPEAKERS

Eminent Speakers of National and International repute from Academia, Law Enforcement Agencies and Industry will be invited to deliver the session.

ABOUT UNIVERSITY

The National Forensic Sciences University erstwhile Gujarat Forensic Sciences University with the status of an Institution of National Importance is the world's first and only University dedicated to forensic, behavioral, cybersecurity, digital forensics, and allied sciences. It was established by the Government of India through Act, 2020 (32 of 2020) with the objective of fulfilling the acute shortage against the increasing demand for forensic experts in the country and around the world. The University is located in the capital city of Gujarat in the beautifully landscaped area.

Its campus is amongst the most distinguished ones in Gujarat. The lush green beautifully landscaped University campus provides a conducive academic ambience and atmosphere for intellectual stimulation.

The University has excellent infrastructure in the form of auditoriums, seminar rooms, classrooms, laboratories, research center, library, and students' hostels equipped with modern age amenities that suit the requirements of the students.

ELIGIBILITY

Faculty members from recognized institutes, universities, government officials, research scholars, and industry personnel working in the concerned/allied discipline.
